PROJECT LINUS 10 YEARS OF SERVICE

Marietta, (FEBRUARY 4, 2010)- For over a decade, the Atlanta Northwest Chapter of Project Linus has faithfully provided blankets for the children at SafePath Children's Advocacy Center. SafePath, a private, non-profit 501(c)3 organization whose vision is a community free of child abuse has received over 1,920 blankets during the ten year partnership. Through the gift of new handmade blankets and afghans Project Linus seeks to provide a sense of security, warmth and comfort to children who are seriously ill, traumatized, or in need. The blankets provided by Project Linus are created by volunteer blanketeers, who exert numerous hours into creating each piece. For the blanketeers, Project Linus provides a rewarding and fun service opportunity for individuals and groups for the benefit of children. SafePath is truly thankful to have the Atlanta Northwest Chapter's assistance in fulfilling its mission of reducing the trauma of alleged child victims of sexual and severe physical abuse. For more information about Project Linus visit www.projectlinus.org.

"Creating a Safer Walk for Cobb's Children"

SafePath Children's Advocacy Center, Inc. has been improving the lives of children who have been abused since 1996. SafePath's mission is to reduce the trauma to children and their families by offering a comprehensive, professional and child-friendly approach to allegations of child abuse. A ribbon cutting ceremony dedicating a new SafePath garden was recently held at the center. The new child friendly garden, complete with a picket fence, arbor and fun yard art, is the result of a community service project of Cobb County Government's 2010 EXCEL Management Development Class. In attendance were: Thomas Beusse of Congressman Price's Office, Chief Deputy Clerk Angie Davis, County Manager David Hankerson, Judge Maria Golick, Representative Judy Manning, Sherriff Neil Warren, State Court Clerk Diane Webb, and former Senator John Wiles. SafePath Executive Director Jinger Robins and members of the EXCEL class cut the ribbon to officiate the new garden.
