What is Stewards of Children?

Stewards of Children (SOC) is a comprehensive sexual abuse prevention training program that educates adults to prevent, recognize, and react responsibly to child sexual abuse. The **SOC** program is designed for organizations that serve children and adolescents, providing prevention training for staff, volunteers, parents, and the community at large.

Core Features of the SOC Training:

- A **video** integrating segments of **sexual abuse survivors** relating their stories of violation and healing, with segments from the author of the curriculum and from **professionals** who interface daily with the problem of sexual abuse.
- An **interactive workbook** for each participant.
- Discussion about critical issues in sexual abuse prevention and the relevance of these issues within organizations that serve children and adolescents. Led by an **authorized facilitator**.
